## Task Breakdown

HOOF & HAND is a trendy shoe and handbag shop. The manager wants all the staff trained as sales are down, wrong data gets put into the electronic inventory system, and there is a new store opening in WOWville.

You suggest a needs analysis should be done first because...

WHAT has  
to be  
known?

HOW WELL  
does it have to  
be known?

WHAT has  
to be done?

HOW WELL  
does it have to  
be done?
